Commemorative Wine Order 2007

Two wines have been especially blended and bottled by a reputable winery in the Clare Valley, to commemorate the visit to Australia in September/October of the Grand Master and Princess Brigitte. All Pories and Commanderies in Australia have been given the opportunity to buy the wines, which it is hoped will be a major fundraiser for the individual Pories and the Prince's Mother and Child Charity. The wines will have a special commemorative label and would make ideal gifts for friends and business acquaintances.

The White wine is a Chardonnay and Sauvignon Blanc blend.

The Red wine is a Shiraz, Cabernet Sauvignon and Grenache blend.

The Wine writer Oliver Mayo describes the white as "Good acid, good nose and good fruit--- in fact jolly nice but drink cold"

The red was described as "delicious now, good with lighter meals and, at the price, good value".

A select panel of Priory members at a recent lunchtime gathering confirmed the tasting notes.

I would like to orderdozen white wines @ \$110 = \$.....
..... dozen red wines @ \$125 = \$.....

Total = \$.....
